

HAWKSURY HOUSE

FAMILY RUN RESIDENTIAL CARE HOME

Touching lives with quality care since 1985

Welcome

HAWKSBURY HOUSE IS A SMALL FAMILY RUN CARE HOME OFFERING SHORT AND LONG TERM RESIDENTIAL CARE FOR ELDERLY MEN AND WOMEN

Our care home offers comfortable, homely and friendly accommodation;
24 hour social care and social dementia care for elderly people.
We provide the highest standards of tailored individual residential care to every client within an elegant, comfortable, 'home from home' environment.

Hawksbury House has been established for over 30 years and many of the staff have been with Hawksbury House for much of this journey.
Manager Rachel Redman has been part of Hawksbury House since 2010 and ensures only the highest quality of care is delivered.

Hawksbury House was founded by Freda Beckett, a District Nurse, who had a vision that people should be looked after with the care and respect they deserve. The principle still underpins Hawksbury House and as much as all staff are trained to a high level and personal pride is taken in the service we provide.

Testimonials

KIND WORDS FROM RELATIVES OF VALUED
RESIDENTS PAST AND PRESENT, WHICH MAKES
OUR JOBS EVEN MORE REWARDING

To live in a care home
where everyone knows
your name and the staff
know all your like and
dislikes is very special.
It's the little things and
the personal touch
that makes the
difference to me.

To all the staff at Hawksbury House I would like to thank you
all for the care you have given to my Gran, over the past seven
years. You all looked after her with such good humour and it
was always reassuring to know that she was in safe hands
whilst she lived at Hawksbury House. Thank you again

To Rachel and all the staff, in memory
of my Mum and with grateful thanks
for the splendid care she received
- I have only one word to
describe your work - 'Outstanding!'

I don't know where to start to
say thank you so much for all the
lovely care you gave my Mum
and making her comfortable.
